

AUTOMATE RV CLUB
Membership Application 2009 / 2010
Join AutoMate RV Club

The AutoMate RV Club was formed by AutoMate RV owners for AutoMate RV owners. The Club is an independent organization; it is not affiliated with nor sponsored by AutoMate Recreational Vehicles Inc.

Membership is open to all current and former owners of AutoMate RVs.

Membership dues are payable for the fiscal year April 1 through March 31. Dues are \$30 including your personal copy of the Club's Maintenance Manual or \$20 excluding the manual. This manual is for the exclusive use of AutoMate RV Club members and represents the input from a few members who want to share with other members.

Membership benefits include:

- The opportunity to attend two rallies to socialize and network with fellow current and former AutoMate owners.
- Technical information seminars and vendor displays at the Spring Rally on topics of special interest to members.
- The opportunity to participate in our Annual General Membership meeting at the Spring Rally.
- An informal network of knowledgeable members who are willing to share their expertise with other Club members during rallies.
- Your confidential copy of the Membership Roster which includes all members on record each Aug 1.
- Quarterly newsletters and web page updates to keep you informed and to provide additional opportunities for networking among members.
- Your copy of the Club's Maintenance Manual if you elect to purchase it.
- The opportunity to purchase Club logo name tags, hats and clothing directly through our two vendors.

For more information regarding our bylaws, rallies and other Club services please visit our website at:
